INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Mr. Guion Miller, Special Com.

Dear Sir: - in reply to yours of the 28th ultimo, I do not know what I understand what you want. You ask me to "state" various things. I do not know whether you want it to come before you as evidence or whether you are seeking information to assist you in searching records &c. I take it that it is the latter.

If you want my evidence in regard to these questions, I will say that I know nothing except as I have been told.

If, however you desire this information in order to assist in the search &c, I may be of some help to you. Therefore I will answer your questions and understand the facts to be from the best I can gather.

It is my understanding that Charlie Harmon ("Charlie Greyhorse" so called) [father of the wife of Oliver Bilyew and the mother of Benjamin Bilyew, my grandfather] was associated with

the Cherokee Indians; on one occasion
it is reported, he lead a band of
Indians, and I think there are those
living of good repute unrelated to
me, who have heard a song sung
among my ancestors that was composed
by the Indians, or at least sung by
them about him as such a leader.
This was either in East Tenn. ^{or Va.} or N.C.,
back about 1800 to 1833 I think.
of course repute does not always keep
up with all dates.

My grandparents, I can prove,
were regarded as being Cherokee
or mixed with that blood and
my grandfather Benjamin Bilyeu
was called "Little Indian" by
his schoolmates.

Why my parent or grandparent
were not enrolled in 1851, I cannot tell
I believe those then living were in
Overton County Tennessee and
perhaps they knew nothing of
the enrollment, Charlie Harmon was dead

My "Great Great" grandfather
Charlie ^{if I count right} Harmon, was born
in Overton County Tenn. I am told

about the years 1834-5.

Why he was not enrolled I cannot say, if he was not.

None of my ancestors have ever served as slaves that I have ever heard of.

Part of these facts have been proven, I think in depositions of John D. White, filed with the application of A. J. Bilyeu; Jane Gore, filed with that of William Bilyeu and that of James Conner filed with that of Wash Carmack (S.W.) I think it was with his, perhaps with that of Tennessee Brown.

I suppose I am entitled to the benefit of that proof as those parties claim under the same patronage or lineage I do. if not please inform me at once and, if I need more proof inform me exactly what I need.

To assist you further in search of records for probable enrollments of others of same lineage of blood I will add that about

1849 one Charlie Harmon Sone
of my Great-great-grandfather (
Charlie Harmon & Charlie Guyton)
left this country, I am told and went
west perhaps to Mo. as he was there
later on. He ~~may~~ have been
enrolled (though he is not a grand
parent (But Great Great uncle if
& count right). Among his children
were Bill Harmon, Edward Harmon
Charles Harmon Jr. Delia Harmon
Elizabeth Harmon, Nancy Harmon
and Ing Harmon

Jef Strain and family also
were in the west, about Mo.
or in it about the enrollment
of 1851, perhaps they were
enrolled. His wife Lidia Bilgrew
was daughter of my grand-parent
Oliver Bilgrew

If more proof is needed inform
me. If after examining our
proof you are not satisfied with the
proof before you we would be pleased
to have a field investigation of the Harmon
blood. We have always been taught that we
had Cherokee blood and we feel our cause
is just

William Wesley Elam, being first duly sworn and examined, deposes and says:

My name is William Wesley Elam; I was born in Overton Co., Tenn. in 1841; I claim my Indian blood through my mother; my mother's maiden name was Patience Elam; my mother was born in Overton Co., Tenn about 1821; I only claim my Indian blood through my mother; my mother claimed her Indian blood through both her father and mother; my mother's father's name was Edward Elam; my mother's father was born in N. C. in 1787; my grandmother's maiden name was Elizabeth Acre Harmon; my grandmother was born about 1793; I do not know exactly where she was born, but she talked a great deal about living on the Watauga River which runs through Eastern Tennessee; my grandfather, Edward Elam, claimed his Indian blood through his mother; my grandfather's mother's maiden name was Patience Dennis, I think; I am positive that her name was Dennis; I never saw my great grandmother, Patience Dennis; I have been told that my grandmother was raised in Salisbury Co., N. C., but I do not know where and when she was born; my grandmother, Elizabeth Harmon, got her Indian blood through her father, Charles Harmon; my great grandfather, Charles Harmon, came to Overton Co. when my grandmother, Elizabeth Acre Harmon was a little girl, so I have understood it; I do not know when or where my great grandfather, Charles Harmon, was born; neither I nor any of the ancestors through whom I claim were ever enrolled and never received any money, land or other benefits; I do not know why they were never enrolled; none of the ancestors through whom I claim ever went West with the Indians; I have heard from my grandmother, Elizabeth Acre Harmon, that my great grandfather, Charles Harmon, lived among the Eastern Cherokee Indians and acted as a sort of a peacemaker between the white people and the Cherokee Indians; he was called "Mog, the Gray Horse"; in 1851 I and all the ancestors through whom I claim lived in Overton Co., Tenn.; I do not know why I or any of the ancestors through whom I claim were never enrolled; none of the ancestors through whom I claim were ever held in bondage; I have heard from my people that my great grandfather, Charles Harmon, was a half Cherokee; I have heard that the mother of Edward Elam, Patience Dennis, was a full blood Cherokee; both I and the ancestors through whom I claim were always regarded as white people, but it was generally understood in the community in which we lived that we had some Cherokee blood in us; Della Elam, #36041 is my granddaughter; Sophia O. Elam, #35042, is my daughter; all the applications grouped under 32901 claim their Indian blood through Charles Harmon; application #35621 should be grouped with 32901; application #35619, also #35704, #35476, #35612, #35610, #35719 should be grouped with #32901.

Dear Sir,

Yours to hand of Apr. 28th asking where I resided in 1882, I was not born until 1886 but my parents resided in the state of Arkansas in 1882 and knew nothing of the enrollment at that time.

My grand parents resided in Alabama in 1851, I dont know why they were not enrolled at that time.

I have been ~~authorized~~ told by some old settlers here that my grand parents came to this country from some where East of here. In or about ^{the} year of 1840. but I cannot find from what state they came to this state from. And as for being slaves at any time or for any one I can find no one that ever knew of it from what I am told by the oldest settlers in this country I think I get my Indian decent from my great grand mother the wife of Sampson

Hiram Gibson, being first duly sworn, deposes and says:

My name is Hiram Gibson. I live at Cole City, Ga. I was born in 1856 in Jackson County, Ala. I claim Indian blood through my father and his father. My father died in 1896 and was about 70 years old. He was born in Jackson Co., Ala. My grandfather's name was Hiram Gibson. My grandfather was recognized as a white man, and my father was also. My grandfather was driven from N. C. with the Indians when ~~my father~~ he was 17 years old. My father always lived with the white people. I never heard of my father or grandfather ever getting any money or land from the Government on account of their Indian blood. I never heard of them being enrolled with the Cherokees. I don't know why they were not enrolled. My great grandfather's name was Thrasher.

In 1882 I was living in Dade Co., Ga. Grandfather came down to Ala. from N. C. with the Indians when he was 17 and stayed there with the Indians until they were driven out. The white people recognized him as white and did not make him go with the Indians. That is what my father has often told me.

My name is Alfred James. I am 75 years old. I have been living here in Hall Co. 20 years. I came from Cherokee Co., N. C. I was born in Warren Co., N. C. My grandmother was a full blood, and I claim about 1/4. I was not enrolled as I did not know anything about the enrollment. I was living in North Carolina in 1851. I was young and knew nothing about the enrollment. My mother was Elizabeth Richardson, and she was a daughter of Elizabeth Richardson, through whom I claim, and she was a full-blood. She was enrolled. She lived in Warren Co., N. C. I do not know whether she ever went to Indian Territory. Mr. Bell told us that that my grandmother was enrolled at Washington. I do not think she ever went west as she always lived in North Carolina. I never knew my grandmother. I never heard of their attending any of the meetings of the Indians. I don't know whether grand-mother had any brothers and sisters. My mother's brothers were named Alfred and William, and some others I cannot recall the names of. We do not know what became of them as we did not keep up any correspondence with them. I

of the receipt of his application in which it is stat-

Hon. John W. Langley,
House of Representatives,
Washington, D. C.

Sir:-

I have the honor to acknowledge receipt of your letter of November 22, 1907, in which you make inquiry as to the status of the application of William Sizemore, of Watergap, Kentucky, which application is Number 32924.

In reply you are advised that it appears that the applicant, William Sizemore, claims to be descended from one Ned Sizemore, who it is alleged was an Eastern Cherokee Indian, or was married to a Cherokee woman.

While no definite determination has been reached in this case, it may interest you to know that there are probably a thousand claimants who are tracing descent from this Ned Sizemore. From a very careful examination of the records of the Indian Office, however, it does not appear that Ned Sizemore was ever enrolled with the Cherokee Indians, nor, does it appear that the names of any of his known descendants were enrolled with the Tribe in 1855, or in 1851.

From the applications it would appear that Ned Sizemore must have been born prior to 1750, and so far we have been unable to locate any of his descendants who were living

#2--Hon. John W. Langley:

in the Cherokee country in 1835 or 1846, the dates of the Treaties under which this fund accrued.

We have been engaged in grouping these Sizemore claims together with a view of making a special investigation in the field in regard to the same, but it will be impossible for this investigation to be made before the weather settles in the spring, and until then nothing further than some correspondence can be done in the matter.

Very respectfully,

Special Commissioner.

Jeff Pulliam being first duly sworn deposes and says:

My name is Jeff Pulliam, and I am 74 years of age. I live in Chickasaw County, Miss. I was born in Cherokee County, Ga. My mother's name was Hannah Crow. He was a little mixed with colored blood, but was born free. At the time of the Mexican war a man by the name of Stephens stole her, and made her a slave. She died in Franklin County, Ga. about 40 years ago. They always said that Hannah Crow was a 3/4 Indian. My mother was born in Cherokee County, Ga. She was sometimes called Linnie Crow. The Indians used to come to our house a powerful lot, and they couldn't talk plain, but they would take her hand and say that she was some of their folks. There used to be in Ga. where I lived what they called the Choctaw Indians. There were a good many of them. There were another kind they called the Black Creek Indians. They used to all come to my mother's house. They the next kind were the ones that I belong to called the Cherokees, and there were what they called the civilized Cherokees. My father called himself one of the civilized Cherokees. His Indian name was Somanchee. The white people called him Thomas Crow. He was not a full blood, but he was mixed with white blood. My father I think he was born in Cherokee County, and he died about the time of the war. He was about 70 or 75 at the time of his death. I never heard of my father getting any money from the Government on account of his Indian blood. My mother told me that about the time of the Mexican war a man would pick up a little Indian child and carry it off, and make a slave of it very frequently, and that is how the race became so mixed with the colored blood. That is what happened to me. I was stolen and carried into slavery. The people who raised me were named Stephens/ but after the war I went with a white family by the name of Pulliam, and that is how I got the name of Pulliam. I am regarded in the community in which I live I am regarded as a colored man, but that may be partly due to the fact that I have a colored woman as my wife. My mother got her Indian blood through the Cherokees, and I am sure that my father did also/

J. J. Halsey being first duly sworn in behalf of Wm. J. Lackey, deposes and says:

That I am 62 years of age and live in Cherokee Co., Ga. I know that applicant claims his Indian descent through his mother and his mother's father. I have known his mother ever since she was born, and knew his grandfather ever since I can remember. I knew his grandfather in Lumpkin Co., Ga. His grandmother Hays was a white woman. His father was a white man. I never knew how much Indian his mother claimed. His ~~great~~ grandfather Hays claimed a quarter Cherokee Indian. Sampson Hays never lived with the Indians as a member of the tribe, nor did the mother of the applicant. I never heard any of the ancestors of claimant say that they were on any roll. The great grandfather of claimant was named Hays and that ~~the~~ is the party through whom claim is made. Sampson Hays had no brothers, but his sisters were: Mary (never married); Betsy married a Clemens. One of these sisters is living yet - the one who never married. She lives in Lumpkin Co., Ga. but I don't know the postoffice. Don't know whether she has made claim or not. The mother of the applicant had sisters and brothers as follows: Lou, John and Will. Jane and Alice. Sampson and his sisters were recognized as quarteroon Indians; everybody knew that they had Indian blood. Never heard that the claimant's ancestors ever received any money from the government. Sampson Hays was in the Mexican Army and I think he drew a pension. He came from S. C. to Lumpkin Co., Ga. and was raised in Lumpkin Co. Don't know what part of S. C. he was from. Applicant is recognized as a white man with some Indian.

Amanda E. Teat being first duly sworn in behalf of William Teat, deceased, deposes and says:

That I am 61 years of age and live in Rome, Ga. My husband died the 22nd day of Feb. last. He claimed Indian descent through his mother; his father was a full blooded white man. His mother's mother was the Indian. Her name was Abedail; don't know her first name. My husband's mother was born and raised in Johnson Co., N.C. She came with the Indians to Putnam Co., Ga. along the later thirties. She and her husband moved to Upson Co., Ga. ~~about 1862~~ before the war, a good many years before. His mother did not live with the Indians as a member of the tribe that I know of. I think his grandmother Garner lived with the Indians. His claimed to be 1/3 Cherokee. My husband was never enrolled that I know of. Nor was his mother that I know of. I don't know whether his grandmother Garner was or not. His mother had two brothers, John and Stephen Garner. She had no sisters.

Dear Sir:-

Replying to your inquiry of 28th of April last, will say that my father was an Indian and my mother a negro. My father and grand-father resided with the Cherokee tribe before my father moved to Cherokee County, Georgia. My grandfather on my father's side was an Indian and recognized as white people. My grandfather was also residing in Cherokee County, Ga. in 1834-35. None of my my parents or grandparents on my father's side were ever slaves, either of Indians or of white people.

Trusting this fully answers your inquiry, I am

Very truly yours,

Sir:-

Replying to your letter of August 22, 1907, you are advised that your application has been received and placed on file in this office.

You are also advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 35,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Dear Sir

I mailed my application to you some
time ago. I think it was on the 7th. Did you receive
it. When I first wrote to you about the claims
I told you our deed got misplaced to some how.
It is not necessary to have that deed is it.
It was a gentleman going around in 1842
getting up these claims and he was the one
that got up ours. I have forgotten his name
but I can get his name alright. Our claim
was gotten up the same time ~~as~~ some people's
was by the name of Hubbard and they went
out and taken possession of their claim they were the
first settlers and it was known as the Hubbard
settlement and our claims are situated where ~~are~~
better in the Hubbard settlement. So if you
will please look into it, it will farther
prove our claims. So let me hear from
you soon thanking you in advance

If so, state when and where. Were you, your parents and grandparents recognized as white people, Indians or negroes in the communities in which you and they have resided?

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1834-35, if living at that time? Where were your grandparents on the side through which you claim residing in 1834-35?

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

I received your letter
yesterday my Grandmother
resided with the Cherokee tribe
she lived with the tribe
up until sometime before
1811; My Grandmother was
recognized as an Indian
woman. I think the reason
she was not enrolled in
1856 because she died in
1846. In 1834-35 she
resided in Williamson County
Tenn. She married one
Abel Aaron

Owued by one John Aaron
a white man, and was
carried from North Carolina
into Tenn.

You will find enclosed
the papers that I told you
I misplaced when I filled
my application. I think
they will give you all the
information you want
but if you want to
know any thing else just
write me. You see the papers
are somewhat worn and

Clerk of Court of Claims

Washington, D. C.

Dear Sir:-

I understand my application (No) 32978) for share in distribution of Cherokee Fund has been recommended to be rejected, by the Special Commissioner unless I see cause to except to this decision and file my exceptions with you for review by the court of claims. Will you kindly advise me what further proof it is necessary for me to make. If I had a definite knowledge as to how and why my proof was insufficient it would enable me to prepare my evidence more intelligently. This is why I am asking the nature of the proof I will be required to submit to the court.

Thanking you for any information you may give me I beg to remain.

Yours most respectfully,

My name is Callie English. I am 39 years old. I am a daughter of Mrs. Mary Vandiver. I never received any money from the Governemnt. I never heard my mother say that she had received any money. We have lived in Ga. all our life. She claimed her father had Cherokee blood, and that he so taught her. My mother lived in Ga. in 1851. I never heard that she lived among the Indians, but her father did. I have heard her talk about being with them in the camp. Her father was Samuel Heaton. He has been dead a good many years. He was a half-blood. I do not remember hearing him say that he ever received any money from the Government. I don't know why he was not enrolled. He lived close to Clarksville. I do not know that he ever went west of the Mississippi. I have heard my father talk about the treaties but do not recall just what. He was recognized as white and my grandfather was recognized as part Indian. I think my grandfather's mother's name was Davidson. Grandfather had a brother Leroy Heaton. My father's grandmother was Malinda Davidson before marriage, Malinda Heaton, after marriage. I do not know any brother of Malinda Davidson. Malinda Davidson lived in Habersham Co., Ga. I do not know that she ever lived anywhere else. My grandmother had a relative by the name of Daniel Davidson, and I think he was her brother. He lived in Georgia. I never heard of his living anywhere else. ~~My~~ Mattie Gaines, Nancy Maley, Samuel Vandiver and myself are applicants, being sisters and brother.

In reply to your letter

the recollection of myself

you such facts as she has
give them to me. I have not
been very much in

my mother told me
that great-grandfather Church

married their daughter left

Georgia land went to
middle Farm. and settled
on Biggs Creek. About
two or three years after the
Treaty. The name was
William's at Term.

They lived at that place in
the year 1834-35.

My parents or grandpa etc.
did not know that I
knew anything in regard to the
D. C. Commission I never
knew anything about it until
about three years ago.

I met a man from the
Indian Ter. who asked me
if I had any Indian

 known and I didn't know how
 to get at them, so I wrote
 for me to the
 Commission and they said
 I was bound by limitation
 they referred me to

 would give me a paper on other
 things that I might
 want at the time.
 I am identified

Clerk: U. S. Court of Claims,
Dear Sir,

In my application No. 33031, for participation in the fund arising from the judgment of the Court of Claims of May 28, 1906, in favor of the Eastern Cherokees, which I understand is reported for rejection by Commissioner Miller, but I cannot understand grounds of rejection, and I request information as to grounds of rejection so that I may know what to answer and file exception in time. My Atty is dead now, and I fear some mistake was made in making up our case. My fathers mother was named Heatherly and his father was an Indian named Haynes, but father went by the name of his mother, and it may be that some mistake was made in application. as we are well satisfied that our claim is a proper one and hope we will be given opportunity to establish it, then you respectfully ask for such information as you may be able to give us to the end that justice may be done. awaiting reply I am

Very Respectfully,

James P. Heatherly.

Mr. Guion Miller, S/C
Washington, D. C.

Dear Sir:-

Referring to yours of the 29th ult. regarding above claim, Appl #33048, beg to state that my father George Manuel, through whom I am claiming, was brought to Tennessee when but a child, about 1848, by his father, Travis Manuel. I have this information from Warren Williams of this place, who is a very aged man and remembers the time of his coming. He, Travis Manuel, was a full Indian, and as we had it from him, resided with the Cherokees in N. C. prior to his coming to Tennessee. His wife was a white woman, hence my father George Manuel is half Indian and half white. My mother Mary Manuel's maiden name was Bear; her mother was full Indian and her father half Indian and half white. My people have all been recognized as Indian and as mixed Indian and white. My father being a small boy knew nothing of the ~~enlistment~~ enrollment of 1851 and if any claim was ever filed we know nothing of it. None of my people have ever been slaves. My grandfather, Travis Manuel was in N. C. in 1834 & 1835.

Yours very truly,
Alice Lane

Alice Kane,
Greenville, Tenn.

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, did you, your parents, or grandparents ever reside with the Cherokee tribes? If so, state when and where. Were you, your parents and grandparents recognized as white people, Indians or negroes in the communities in which you and they have resided?

By way of the parent through whom you claim not enrolled in 1841, and where was he or she residing in 1844-45, if living at that time? Where were your grandparents on the wife through which you claim residing in 1844-45?

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

Very respectfully,

Special Commissioner
